

HOW DOES THE LITTLE FREE PANTRY WORK?

The Kirk Centre's Little Free Pantry is an easy way for neighbors to help neighbors who need food or hygiene items.

Even though its home is on the Kirk Centre property, this belongs to all of us. Please take care of it and the space around it. Clean up any spills or mess you make and please do not litter anywhere in the neighborhood.

GIVE WHAT YOU CAN by placing food or hygiene products inside the Little Free Pantry. Please give what you would want to receive. No gift is too small. A single package of Mac'n'Cheese can help. Items should be unexpired, unopened and in good condition.

TAKE ONLY WHAT YOU NEED. If you find items and you need them, take them and know the community cares about you. This pantry works on the honor system and is designed to be self-regulated so that you may keep the dignity of not needing to ring the bell and ask for food. Please remember this pantry belongs to all of us so take only what you truly need and leave items for others who are in need. Trust that the Little Free Pantry will be here for you again.
